Phone: 780-986-8456 Fax: 780-986-7410

January 15, 2019

Dear Parents,

We are fortunate to have access to the outdoor skating rink adjacent to the school that is being maintained by the City of Leduc. We would like to allow our students the opportunity to use this skating rink during the noon recess.

Please read and review with your child the following safety rules for using the skating rink. Then sign the form to indicate you have read and discussed the rules with your child. The safety rules must be followed in order for your child to have the privilege of using the skating rink during the school hours.

## **Willow Park School Skating Rink Safety Rules**

1. Students **must wear** a CSA approved helmet, properly fitted skates and gloves or mitts while skating.
2. Students will only be allowed on the rink during noon hours. Depending on the number of students using the ice rink, we may have to set up a schedule. For the immediate time, we will allow any students who wish to skate to do so.
3. The rink will be used for skating only. No sticks or pucks are allowed.
4. Students must show caution and maintain control while skating.
5. Only students who have proper equipment will be allowed in the skating area. Students may not go on the ice in boots.
6. Students must be able to put on and tie their own skates. (Some older students may be available to provide some assistance for the younger students).
7. Skates should be transported/stored in a cloth bag.
8. Any student who supervisors deem to present a danger to him/herself or others will be asked to leave the skating area.
9. The student may have the privilege of skating rink use taken away at the discretion of the supervisor or principal.

Once you have read and discussed these rules with your child, please complete the online permission form in your PowerSchool account.

Happy Skating!

Mrs. R. Brunken, Principal
