Dear Parents,

With the recent snowfall, our toboggan hills are ready to use and we will be allowing Willow Park students to use the hill areas for sledding. In order to make this activity as safe as possible for the students, we have a set of safety guidelines that must be followed in order for students to use the hills.

Please read and review with your child the following safety rules for using the snow hills. Then complete the permission form online on Powerschool. Please remember to read and discuss the rules with your child. The safety rules must be followed or your child will lose the privilege of using the sledding hills during the school hours.

****Please note that sleds may not be transported to or from school on the school bus.**

Willow Park School Snow Hill Safety Rules

1. Only **foam type sleds** may be used on the hill. Hard sled materials are not allowed - NO Crazy carpets, wood or plastic toboggans, etc.
2. To reduce congestion and the risk of injury on the snow hills, students will only be allowed on the hill during their scheduled times.
3. Only one rider is allowed on the foam carpet.
4. Students must be seated or kneeling when sledding. **Students should NOT go down the hill head first.**
5. Only students who have a completed permission form and foam carpet will be allowed in the area. (The school does have a few foam carpets, which students may use if they do not have their own.)
6. The front face of the hill is the only area to be used for sliding - down in the middle and up on the sides.
7. A student may lose the privilege of snow hill use at the discretion of the school staff if they present a danger to him/herself or others.
8. The school will not be responsible for any loss, theft or damage to foam carpets that are left at the school. **Please ensure your child's name is on their carpet.**
