Leduc Public Library Summer Program

The Leduc Public Library in partnership with the TD Summer Reading Club is excited to provide children with the opportunity to read more over the summer months through our Summer Learning Challenge.

This year the theme is GAME ON, and while we are following public health measures, we will engage children in a variety of literacy boosting activities. Our program is fun, free, full of prizes, and led by a certified teacher and certified educational assistant.

From July 5th-August 20th, the library will be offering a new scavenger hunt every week, a “Read to our mascots” drop-in during our regular hours, and free registered kits. Kits will include different literacy, numeracy, and STEAM activities every week. Most importantly, children get to read for fun and are encouraged to log their days of reading each week for a chance to win great prizes!

Registration begins June 21st at 10:00 AM at the library and online. Join us for the Summer Learning Challenge Kick off - Sidewalk Obstacle Course June 21-25, and Story Walk June 29-30. Visit our website at www.leduclibrary.ca or give us a call at 780-986-2637 for more information and check out our promo video for children below.
